**What is a Qualifier?** A Qualifier is one of NCAA's initial-eligibility outcomes. Outcomes include Qualifier, Partial Qualifier, Academic Redshirt, and Nonqualifier. A Qualifier may receive athletics aid (scholarship), practice and compete in the first year of full-time enrollment at the Division I college or university.

**Division III** college-bound student-athletes are not certified by the NCAA Eligibility Center because Division III colleges and universities each set their own admissions standards. However, there are still some important things you need to know. If you are interested in Division III, please visit [www.ncaa.org/d3](http://www.ncaa.org/d3) or contact the Division III college or university of interest regarding policies on admission, financial aid and athletics eligibility.
